In the Morning there was a alarm in El Carrizal, because some religious people were saying that we were the Anti Christ, and the authority of the community came to see us, to check what we preach, and mister Hidalgo the judge or watchman, he was asking questions about our religión.

And after few hours talking and proving by the bible what we believe, mister Hidalgo said, you are fine, we need this doctrine here, you are very welcome to preach in El Carrizal.

Tuesday august 20, 2019

At day time We meet a trinitarian preacher, his Name is Danilo Reyes Crafor, he started to tell us about his ministry how he is going to preach for diferents denomination.

And suddenly the Lord open a door for us to start to witness to him about the baptism, and the Godhead.

He came with us to Brother Blckhouse's mother House.

And after two hours talking, he was writing down the scriptures, and He said, well there's not doubt that this is the true baptism.

Brother Blackhouse asked to brother Danilo a question, ¿ and now what you are going to do?

Brother Danilo said: I got to be baptized again.

He said take me to the river right now.

And by the grace of God I baptized him in water in The name of our Lord JesusChrist.

That same evening at 5 pm there was a truck going up to Wua Wua Esperanza, where we had an invitation by Brother Modesto Brown a United Pentecostal Pastor.

Brother Modesto Came to mee tus in Waspan, we took that truck it's kind of log way, and The Truck got broken down in the middle of not where, therefore we sleep few hours on the truck and we got to the place at 6.00 am next day.

Wednesday August 21, 2019

We started to talk to the people about the Word, Brother Modesto and his wife expended 12 years in the United Pentecostal Church, but a year ago, the liders of the church put them out of their sistem, and took the minister License away from him.

Now he want to know about the message, and promise to us that he want to start to preach the Little light he sees of the message.

We expend four days with them, Lot people came to hear the message, and one couple gave their heart to the Lord, and they will start to have church together.

The truck that was going out of that Place was coming on Sunday morning, no other way to come out of that place.

But this truck was going to diferent town, not to Waspan where we need to go, therefore we took it, and we got off of the truck in a place call, Buenos Aires, to see if we can get another vehicle, truck or whatever to go to waspan.

Time when by, and not transportation came by, At 5:00 pm there came a man who asked us if we were missionaries, he said because I see you got the equipment to have church.

We told him what we are doing, and our plan to go to waspan.

One hour later the same man came back and he said: if you are staying here tonight, come to my adventist church and preach for us.

We said praise the Lord lets preach, the Lord gave us a very good time in the Word with them, we preached the Gospel of holiness, one of the members of the church offer to us a place to stay over night and they gave us something to eat, and around 10.00 pm there was a bus coming, they were going to Waspan and we took it and went to waspan.

It Seems like the Lord only want us to witness in this place about Real góspel of the Lord JesusChrist.
